# **DCS NEWSLETTER**

Vol. 19, No. 2

November 7, 2008

---

Dear Parents,

Thanks for Nina Locker for the wonderful Halloween party last Friday. The DCS 2008–2009 directory has been distributed on October 17. If you have not received one copy, please come to the office to get one. Thanks to all the sponsors for their supports. Some old DCS textbooks will be given away during the meeting. If you are interested to check or pick up other DCS old textbooks, please contact me to make arrangement.

We are also looking for performances for our holiday party. It is a good opportunity for your children to perform on stage. Group performances are preferred, but not necessarily. If your children are interested, please submit a brief description stating what kind of performance, the names of the children, and the duration.

Dance class has begun. Practice is from 6:30PM to 7PM in room N10. Your child can still join the dance group if she/he is interested.

DCS is moving right along. With winter upon us and the weather changing, safety of the children is always our priority. There is minimal lighting in some areas of the school grounds. Students should be reminded to wait for parents in the quad area and not to go to the parking lot. Cleaning Duty attendants please be aware that some students stay after 9:00 for the gym, so please stay until 9:15 at least before starting cleaning the classrooms. All the classrooms should be put back to their original look before DCS use them. Windex and rag are available in the office for wiping the whiteboard. Your special attentions can help us to keep good relationship with classroom owners, the high school teachers.

Kevin Chang  
Principal
